Vaccinations
The hotel requires proof of Covid vaccinations for all participants and proof of vaccination will almost certainly be required of people crossing the border. We recommend that you take care of this when you register by attaching a copy or a photo of your proof of vaccination to your application. Then it will be done and you won’t need to worry about forgetting it. If you try to check in and you realize that you don’t have proof of vaccination, you will not be admitted.

US/Canadian Border
If the US/Canadian Border does not open before October 17, instructional fees to US citizens will be refunded in full.

Cancellation Policy
There is always a chance that the camp could be cancelled, probably due to new travel restrictions. Wait until you receive notice that you are accepted and that the camp will not be cancelled before purchasing airline or rail tickets. If in doubt, check with nhimaoffice@gmail.com. You may also want to consider trip insurance that provides coverage for cancellation of the event.

If you register for the camp and need to cancel, refunds for the instructional fee less a $30 US processing fee will be made before October 1, 2021. After October 1, 50% of the instructional fee will be refunded.
