What Is NHIMA?

New Horizons International Music Association (NHIMA) is the umbrella organization that provides New Horizons groups with an inclusive philosophy on which to base music-making activities for adults of all ages. These groups are then supported through a wide variety of on-line resources and information. NHIMA is governed by an elected volunteer Board of Directors who work on your behalf. We do this by…

1. COMMUNICATION
   Offers members the latest and most accurate information.

2. SUPPORT
   Provides on-going support to members: a variety of resources, music connections, etc.

3. SPECIAL EVENTS
   Initiates and coordinates music camps and events

The Board has been busy…

The dynamic Board of Directors has recently been involved in updating NHIMA’s infrastructure: focussing on membership, information management, security and communications.

NHIMA is assisted by professional staff including an administrative assistant, treasurer, webmaster and newsletter editor to keep us organized and efficient. We use the latest and most secure software available.

We are here for you and welcome your input.

Are you a member?

Many people who join New Horizons groups do not realize that they do not automatically become a member of NHIMA.

But, becoming a member has many benefits, is easy to do and very inexpensive. Visit: NewHorizonsMusic.org to find out how!

“New Horizons is a community where people come together to learn music but take away much, much more.” (Charlene G.)

“Band boosts my brain – and keeps me cool!” (Colin C.)

Dr. Roy Ernst
Founder of the New Horizons Music Movement, 1991

Behind every great idea, movement or event, usually stands one person who is the inspiration, the guiding light and the driving force. In the case of NHIMA it was, and still is, “Roy”.

His leadership and enthusiasm are directly responsible for the many New Horizons bands, orchestras and other musical ensembles now in existence for adults of all ages.
